

ParentsWeb

RenWeb School Management gives you an opportunity to get involved in your child's academic progress and success.

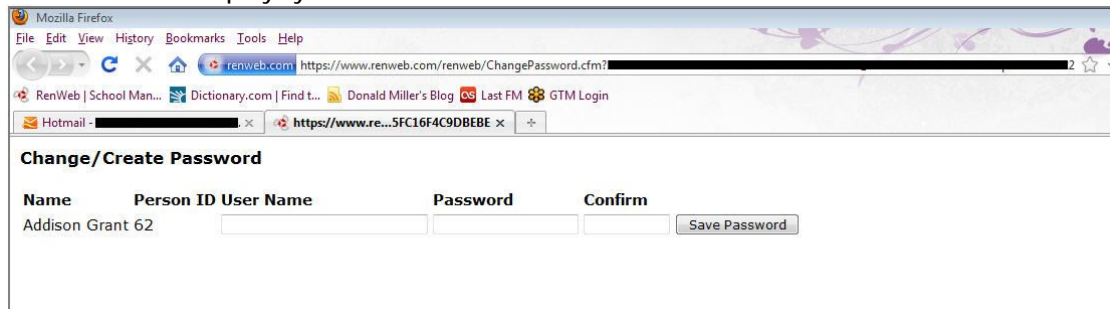

ParentsWeb is a private, secure parents' portal that allows parents to view academic information specific to their children while protecting their children's information from others. You can see your child's grades, attendance, homework, conduct, and other useful school information. You can also communicate with teachers and staff online when necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

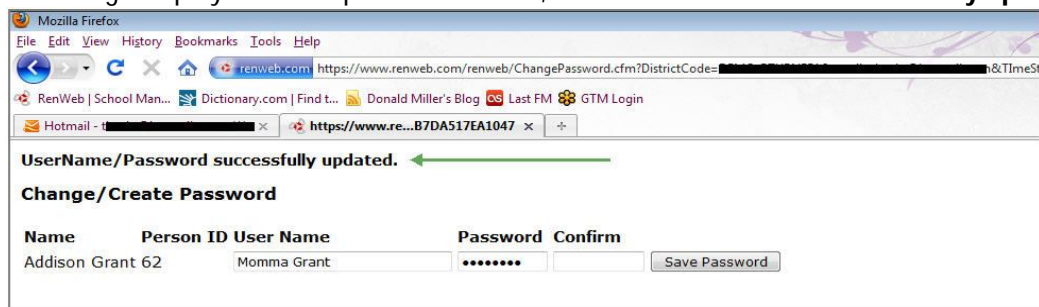

- First, you need to make sure that the school has your email address in RenWeb.
- Next, go to <https://ath-ga.client.renweb.com/pw>
- Type your school's **District Code ATH-GA**
- Click **Create New ParentsWeb Account**.
- Type your email address and an email is sent to you.

- Click the **Click to change password** link. This link is only valid for 30 minutes.
- A web browser displays your Name and RenWeb ID.

- Type a **User Name**, **Password** and **Confirm** the password.
- Click **Save Password**.
A message displays at the top of the browser, "**User Name/Password successfully updated.**"

- You can now log into ParentsWeb using your new User Name and Password.

We look forward to your participation. Together we can continue to improve our children's academic development as well as communication between our school and your home.
